

MainMenuScreen

```
graph BT; ThemeInterface --> MainMenuScreen;
```

A UML class diagram showing an inheritance relationship. The class 'MainMenuScreen' is at the top, represented by a white rectangle with a black border. The class 'ThemeInterface' is at the bottom, represented by a gray rectangle with a black border. A blue arrow points from the bottom of 'ThemeInterface' to the bottom of 'MainMenuScreen', indicating that 'ThemeInterface' inherits from 'MainMenuScreen'.

ThemeInterface
