

UplinkObject

```
graph BT; Interface --> UplinkObject
```

A UML diagram showing a relationship between two classes. At the top is a white rectangular box with a black border containing the text "UplinkObject". Below it is a gray rectangular box with a black border containing the text "Interface". A solid blue arrow points vertically from the top center of the "Interface" box to the bottom center of the "UplinkObject" box, indicating that the "Interface" class implements the "UplinkObject" interface.

Interface
