

MainMenuScreen

```
graph BT;
    GOI[GenericOptionsInterface] --> MMS[MainMenuScreen];
```

A UML diagram illustrating an implementation relationship. At the bottom is a gray rectangular box labeled "GenericOptionsInterface". A vertical blue line with an arrowhead at the top points from this box to a white rectangular box labeled "MainMenuScreen" positioned above it. This indicates that "GenericOptionsInterface" implements the "MainMenuScreen" interface.

GenericOptionsInterface
