

MainMenuScreen

```
classDiagram
    class DisavowedInterface
    class MainMenuScreen
    DisavowedInterface <|-- MainMenuScreen
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'DisavowedInterface'. A blue arrow points vertically upwards from the center of this box to the center of a white box labeled 'MainMenuScreen' positioned above it. This indicates that 'MainMenuScreen' inherits from 'DisavowedInterface'.
