

MainMenuScreen

```
graph BT; A[RevelationLostInterface] --> B[MainMenuScreen];
```

A UML diagram illustrating an implementation relationship. At the bottom is a gray rectangular box labeled "RevelationLostInterface". A blue arrow points vertically upwards from the center of this box to the center of a white rectangular box labeled "MainMenuScreen" positioned above it. The arrow's head is a solid blue triangle pointing towards the "MainMenuScreen" box.

RevelationLostInterface
